Sir,

I am directed to address you with reference to your endorsements No.7590 dated the 17th September 1923 and No.7475 dated the 19th idem, to the Secretary for Railways, on the subject of the investigation of the Nanjangud-Manantoddi-Tellicherry Railway project.

The Government of His Highness the Maharaja have no objection to a detailed survey of the line being conducted within the Mysore State, and a Notification under section 4 of the Land Acquisition Regulation will - issue immediately . At the same time, desired to state that His Highness' Government should not be considered to have agreed to the construction of a railway line to connect Nanjangud with Tellicherry or to any scheme that might prejudice their proposal to extend the railway from Shimoga to Bhatkal.

I am to add, with reference to para 5 of letter No.508 dated 21st August 1923 from the Government of India, Railway Board, a copy of which has been sent with the first of your communications referred to above, that the Government of Mysore cannot consider the question of guaranteeing a fixed return on the capital that may be provided by the Railway Board for any such railway. No guarantee was agreed to by the Dewan at his interview with the Railway Board in July last.
